NOTICE

It has again come to the notice that certain documents in Petitions/ Appeals/Pleadings etc., filed before TDSAT were dim and illegible thereby greatly inconveniencing the Hon'ble Bench. His Lordship has, therefore, directed the Registry not to accept any such document and to ensure that the documents are clearly legible and make for easy reading. All documents are to be in English or translated in English.

All Counsel/ parties are, therefore, requested to file clear and legible copies of documents in their Petitions / Appeals / Pleadings etc., to facilitate the Registry to take those on record.
